Description

Villa FNX is a new project with building license in place. Located within a privileged part of Moraira and very close to the beaches and amenities. A villa designed to full fill the most demanding client, with a constructed size of 350m2 and garden of just over 1600m2. Numerous special detailed finishes are included in this project, and will certainly be on that will stand above most others in the area. At this stage we invite you to enquire more about this new property, visit the plot and get to know the project.
