### Description

Spacious villa for sale located in the area of Turballos. The house is habitable although it needs some minor refurbishment to leave it in optimal conditions. It has 4 bedrooms and 2 bathrooms. Spacious dining room with direct access to the pool area and terraces. The original construction dates back to the early 80's and is structurally sound.

Outside there are spacious terraces, swimming pool and barbecue. There is still the original casita which today is used as a storage room.
