Description

In short, Nwcia is the dream place to live. A village development of contemporary design and construction where you can enjoy the climate, excellent sunshine, spectacular views of the bays of Benidorm and Albir and a healthy lifestyle. Close to all services and the sports city of La Nucia.

The sizes of the properties and their configuration make them ideal for clients who need more space, who want to make part of their properties profitable for renting while they continue to have their own homes, or who want a space for games, an office or an area for the youngest members of the family.

The properties have several terraces with views, parking for two vehicles and a garden with direct access to the communal areas. Many of them also have a solarium where you can enjoy evenings outdoors with your friends.
