Description

URBAN RESIDENTIAL PLOT FOR SALE IN LA POBLA LLARGA

In the area of new expansion of the town, we find this plot of almost 900mtrs, with visibility to 3 streets, with electricity and water connections, on the same pavement, ready for the next construction of semi-detached single-family houses.

These houses, according to the town hall of the town, can have ground floor + 2 floors without exceeding the 10.5mtrs of cornice height, and that is within the urban plan.

At the same time, it is located in a privileged place, for having very easy access from the road to Alzira, with both school and high school within walking distance, as well as other services.
