Description

Opportunity to acquire a good apartment in the town of Atzeneta, very close to important urban centers such as Albaida or Ontinyent.

It is a first floor apartment close to public parking, central, quiet and with very good use of its surface. It is distributed in a hall, an exterior room with great light, a living room with views of the interior patio, a bathroom, a kitchen integrated into a beautiful dining room and a second bedroom.

It is in perfect condition to move into and is ideal for transforming it into either a habitual residence or an investment property with very good profitability. In this second aspect, it should be noted that in this town there is a very powerful industrial fabric and a high demand for rental housing.
