There are three bedrooms and a bathroom on the main floor. In the semi-basement, which is connected to the rest of the house by an internal staircase and also has another exterior access that allows these two rooms to be separated. It has a living-dining area and open kitchen. One bedroom and bathroom. Possibility of making another two bedrooms.

Outside the house we will find a swimming pool, a summer kitchen, a workshop and several storage rooms. The entire land is fenced and has several ornamental and fruit trees.
