Description

Impressive farmhouse in Bocairent, a beautiful town in the interior of Valencia and very close to Alicante.

It is a charming construction, in perfect condition for living, in the middle of the mountains and with a plot of more than forty thousand square meters. It has a fully active farm with almost eight hundred olive trees.

The house is distributed over two floors, on the ground floor you can enjoy a large living room with fireplace, kitchen, bathroom and access to a large warehouse and garage at the back.

On the first floor, with a perfect sense of distribution, it has four bedrooms and a large bathroom.

It has drinking water and electricity supply, with solar panels and a generator. There would also be the possibility of joining the traditional power line.

In short, a fantastic option that meets all the requirements for nature lovers.
