### Description

For certain, Nwcia is the dream place to live. A contemporary development design and construction village where you can enjoy the climate, year round sunshine, spectacular views of the bays of Benidorm and Albir and a healthy lifestyle. It is close to all services and the sports city of La Nucia.

The sizes of the homes and their configuration make them ideal for clients seeking more space, those that wish to make their assets profitable by renting part of the property while preserving a home, or who want a space for games, an office or an area for the youngest members of the house.

The homes have several terraces with views, parking for two vehicles and a garden with direct access to the common areas. Many of them also have a solarium where you can enjoy evenings outdoors with your friends.
